DIGITAL WALLPAPER COLLECTION

Roberto Cavalli Home presenta la nuova collezione di carta da parati digitale.

Temi estetici e codici stilistici si evolvono e danno vita a tre sezioni che compongono la nuova collezione: ANIMALIER, GEOMETRIC ANIMALIER e POP ANIMALIER.

Una collezione esclusiva, da cui nascono nuove icone che uniscono gli elementi della natura a motivi animalier e richiami contemporanei.

ANIMALIER è la sezione d'ispirazione "wild", in cui le stampe iconiche e i giochi di sovrapposizioni rendono le carte opere d'arte.

GEOMETRIC ANIMALIER è una raccolta di geometrie e stampe animalier che si fondono creando un inaspettato connubio dall'inconfondibile stile Roberto Cavalli.

POP ANIMALIER rappresenta la novità nel settore dei rivestimenti murali, caratterizzata da colori ed immagini Pop associati a stampe animalier.

D I G I T A L W A L L P A P E R C O L L E C T I O N

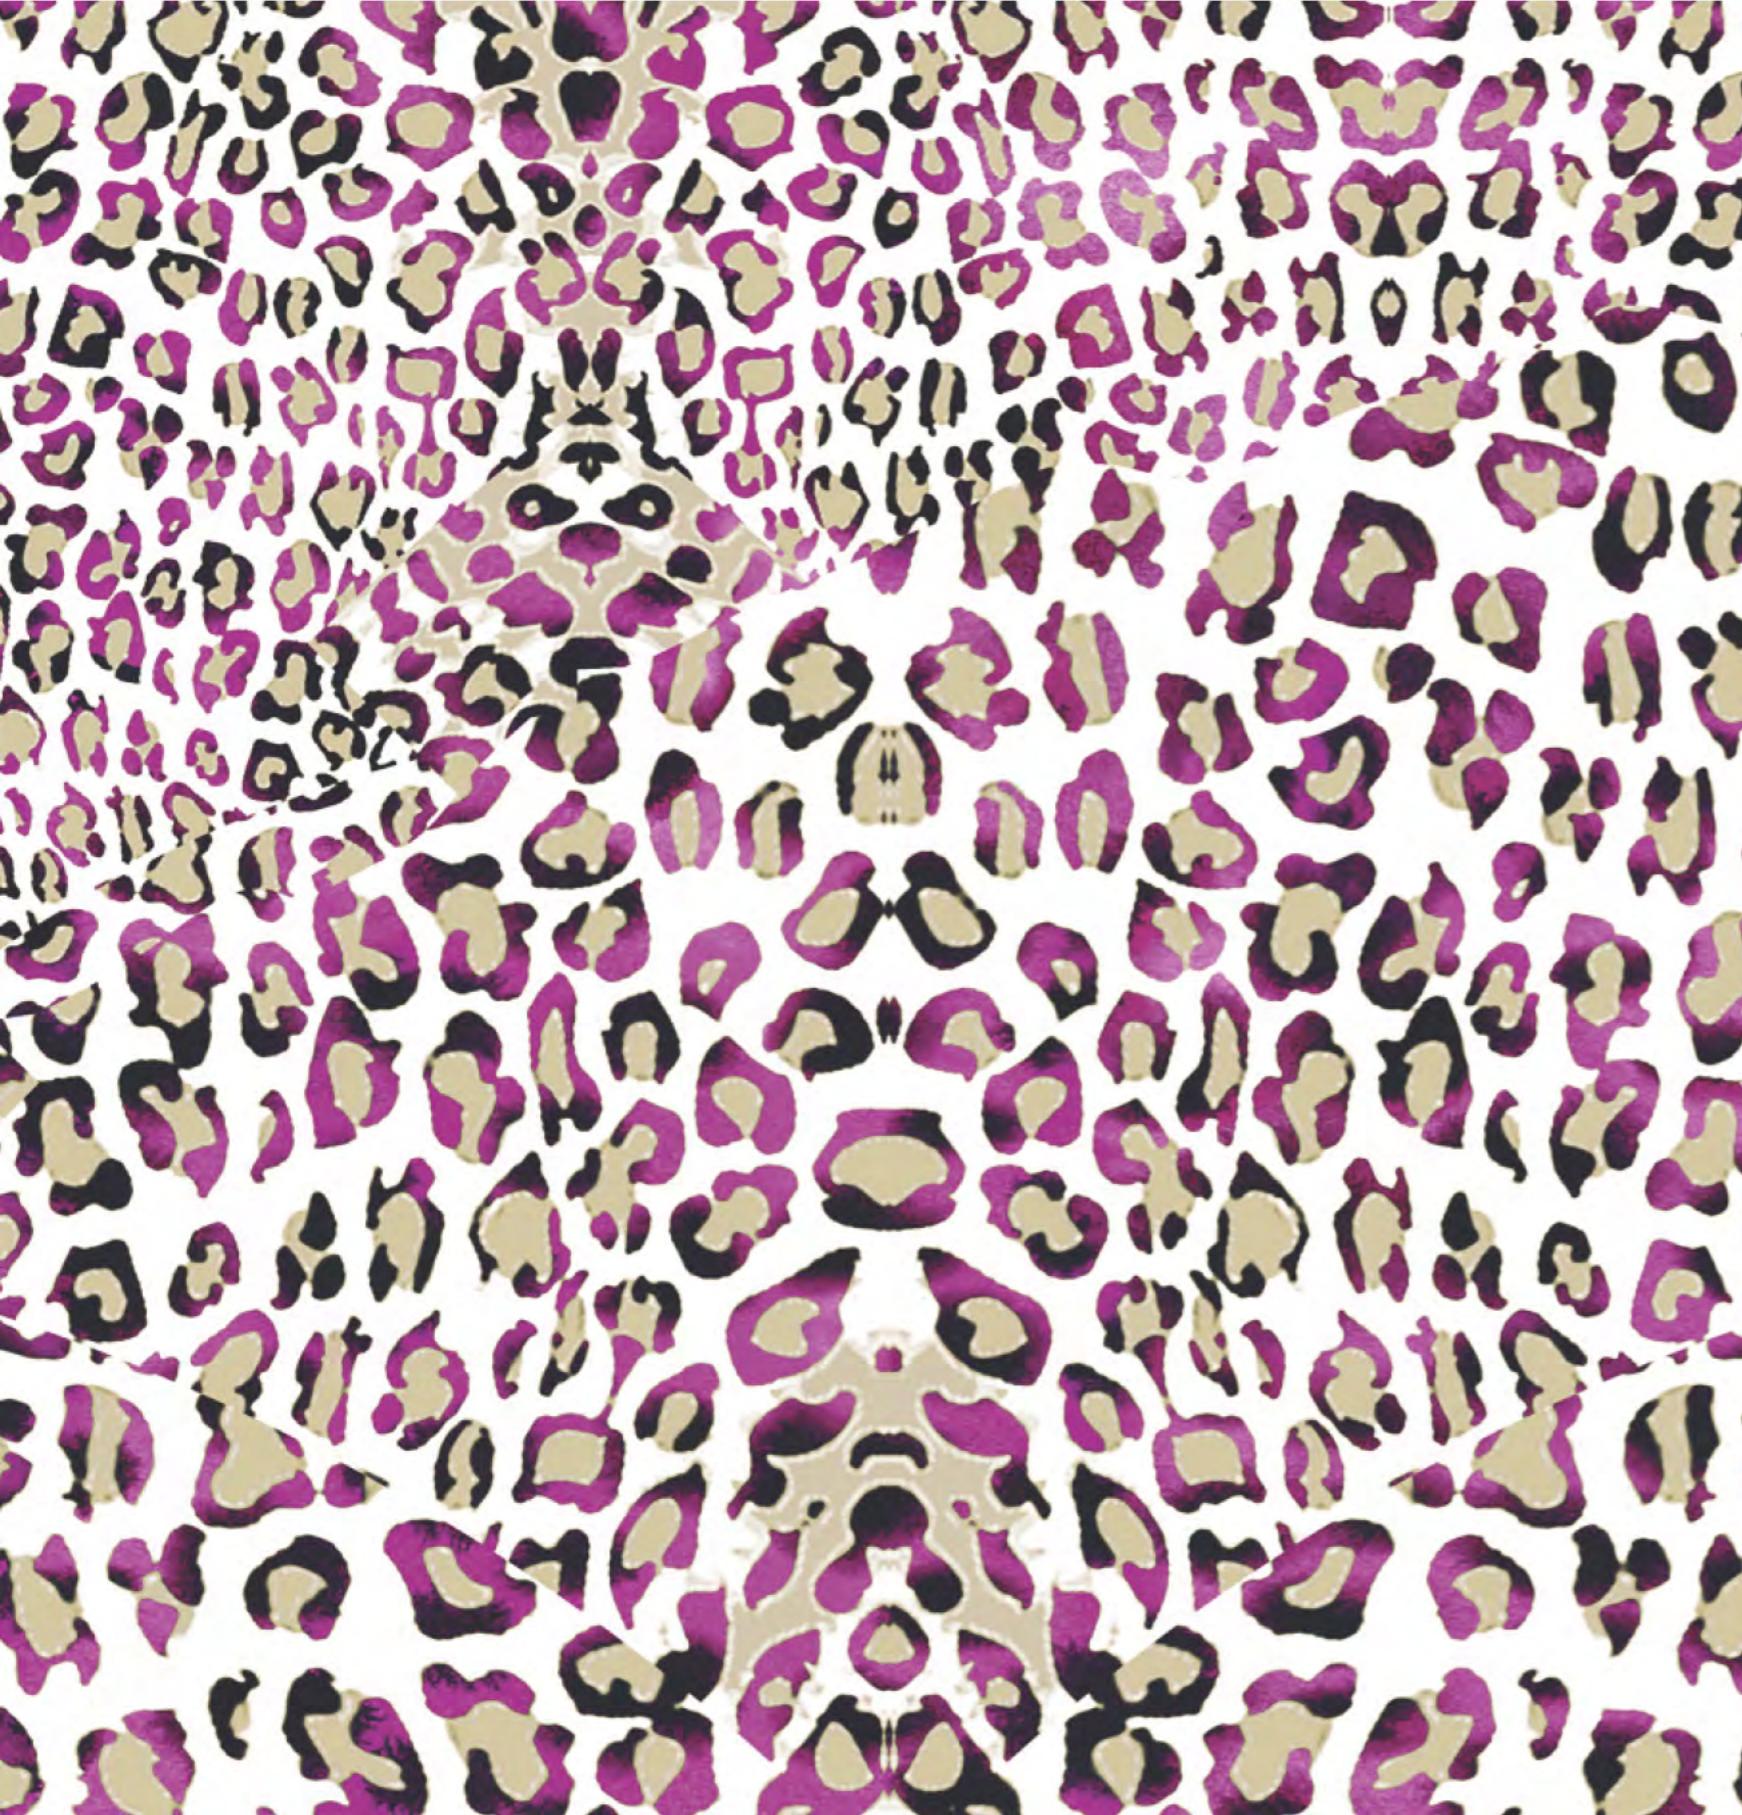

Roberto Cavalli Home presents the new collection of digital wallpapers (digitally printed mural panels). Aesthetic themes and stylistic codes evolve and give life to three sections that make up the new collection: ANIMALIER, GEOMETRIC ANIMALIER and POP ANIMALIER.

An exclusive collection, from which new icons are born that combine the elements of nature with animal motifs and contemporary references.

ANIMALIER is the "wild" inspired section, in which iconic prints and overlapping games make the digital wallpapers real works of art.

GEOMETRIC ANIMALIER is a collection of animal motifs geometries and prints that blend together to create an unexpected combination of the unmistakable Roberto Cavalli style.

POP ANIMALIER represents a novelty in the sector of wallcoverings, characterized by Pop colours and images associated with animal motifs.

ANIMALIER

Elementi naturali e immagini iconiche si fondono per creare una contemporanea visione della stampa animalier Roberto Cavalli, rielaborata con un design nuovo e originale. Queste stampe digitali passano da proposte cariche di sofisticata eleganza a proposte con uno spirito più audace rafforzato dall'utilizzo di tonalità grintose.

Natural elements and iconic images blend together to create a contemporary vision of the Roberto Cavalli animal motifs, reworked with a new and original design. These digital printing range from proposals charged with sophisticated elegance to proposals with a bolder spirit, reinforced by the use of gritty shades.

ANIMALIER 05

GEOMETRIC ANIMALIER

Geometrie e stampe animalier si fondono creando un vortice di immagini dallo stile inconfondibile e dal deciso tocco eclettico.

Le texture riprendono pelli di serpente, pellicce di giaguaro e zebretti incorniciati da estrosi elementi geometrici o sovrapposte da immaginari mondi esotici rivisti in nuove e sinuose forme.

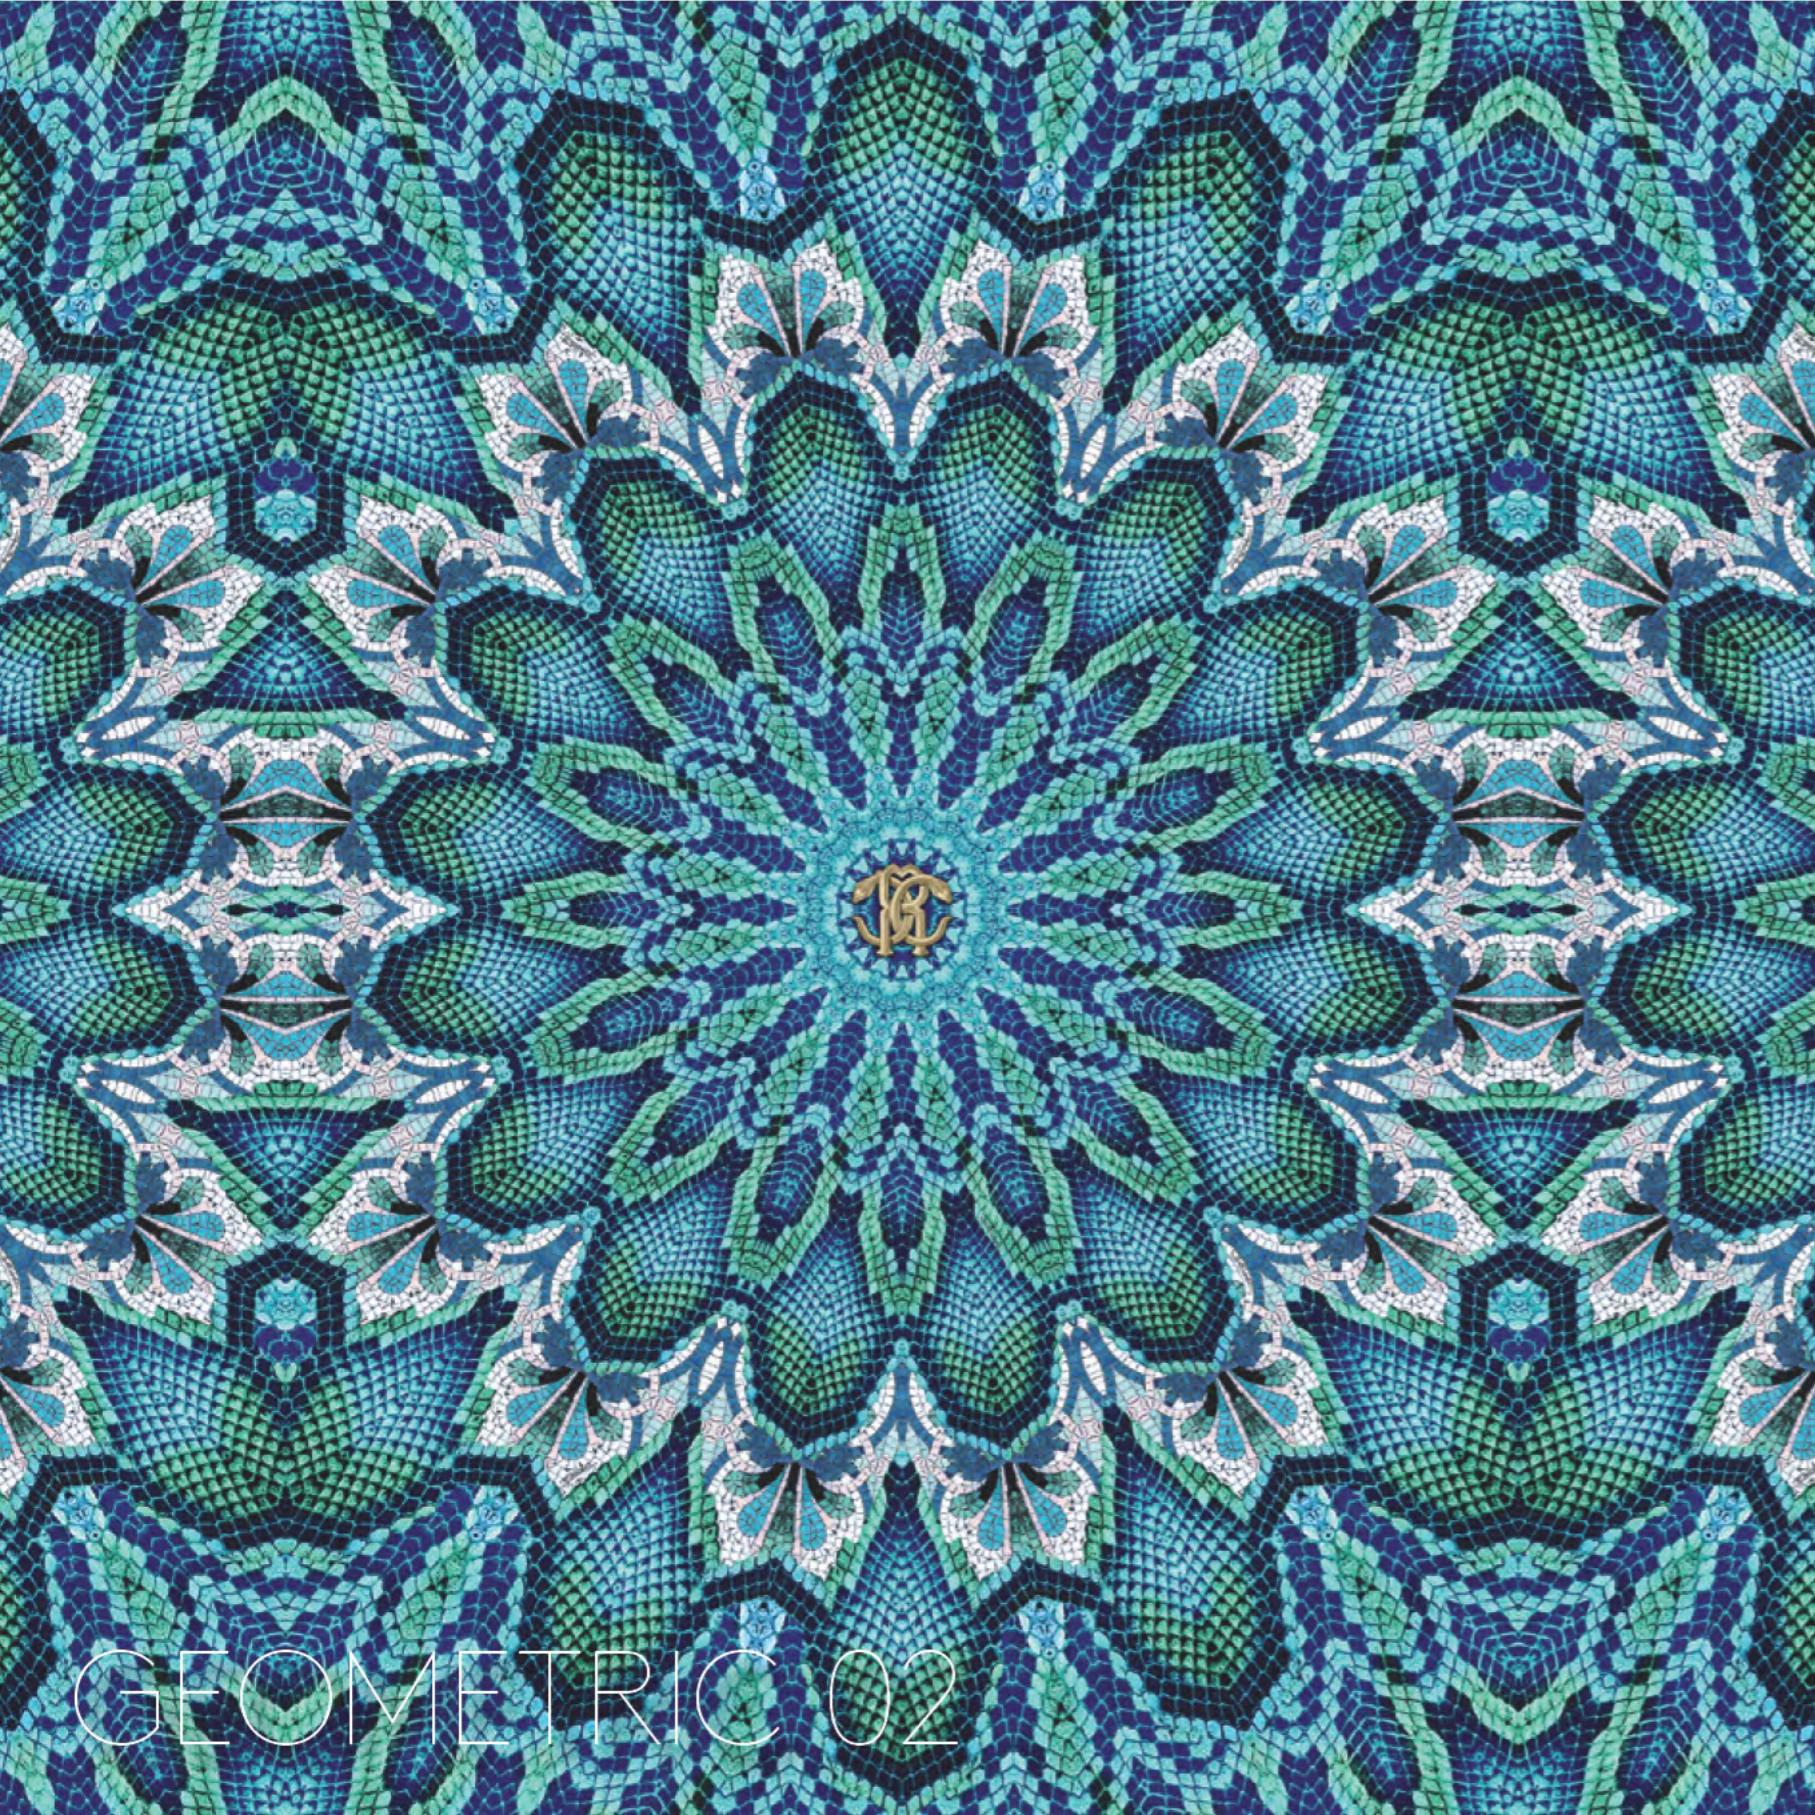

Geometries and animal motifs blend together to create a whirlwind of images with an unmistakable style and a strong eclectic touch.

The textures recall snake skins, jaguar furs and zebra stripes, framed by whimsical geometric elements or superimposed by imaginary exotic worlds revisited in new and sinuous shapes.

POP ANIMALIER

Una visionaria interpretazione del mondo animalier, fatta di colori forti e contrastati e di immagini pop che hanno dato vita a queste stampe dai toni unici ed eccentrici. Mix carichi di grinta ed energia, dall'espressività forte, dove i pattern maculati si fondono creando nuove suggestioni.

A visionary interpretation of the animalier world, made of strong and contrasting colours and pop images, that gave life to these prints with unique and eccentric tones. Mix full of grit and energy, with strong expressiveness, where the spotted patterns blend to create new suggestions.

SUPPORTS

SUPPORTS

Ogni pannello digitale presentato in questa collezione può essere stampato a scelta sul classico vinilico con supporto tessuto non tessuto oppure su materiali di finitura più pregiata e particolare, come il tessuto viscosa. Per la posa in ambienti umidi, come i bagni, le spa o le piscine è possibile stamparli su fibra di vetro, un materiale altamente resistente che viene completato, nella posatura, da opportuni primer impermeabilizzanti e antibatterici. Solo per una selezione di pannelli è disponibile anche la stampa su lamina argento.

Each digital panel presented in this collection can be printed on the classic vinyl with non-woven base support or on more precious and particular finishing materials, such as viscose fabric. For installation in humid environments, such as bathrooms, spas or swimming pools, it is possible to print them on fiberglass, which is a highly resistant material and which is completed after the installation by suitable waterproofing and antibacterial primer (resin). Printing on silver foil support is also available for a selection of panels only.

SILVER FOIL SUPPORT ON
NON-WOVEN BACKING

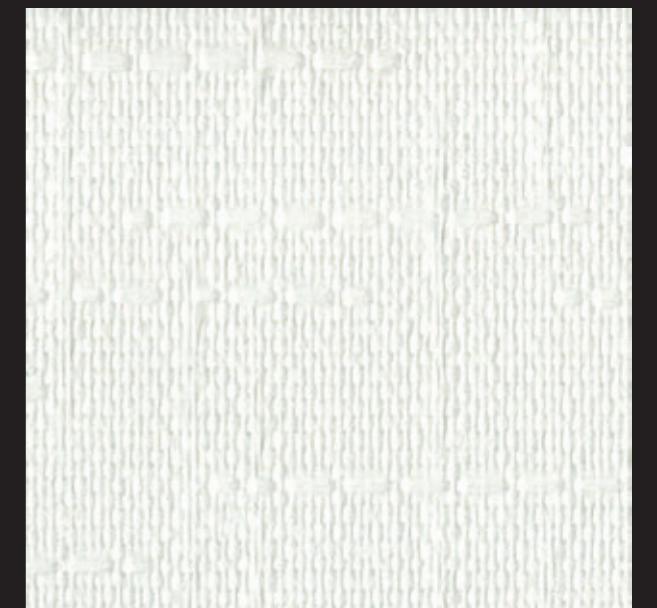

code K

Base disponibile solo per la stampa dei pannelli:
RC19213 - RC19214 - RC19215 - RC19216 - RC19217.

*Support available only for the printing of the following panels:
RC19213 - RC19214 - RC19215 - RC19216 - RC19217.*

GLASS FIBER SUPPORT

code D

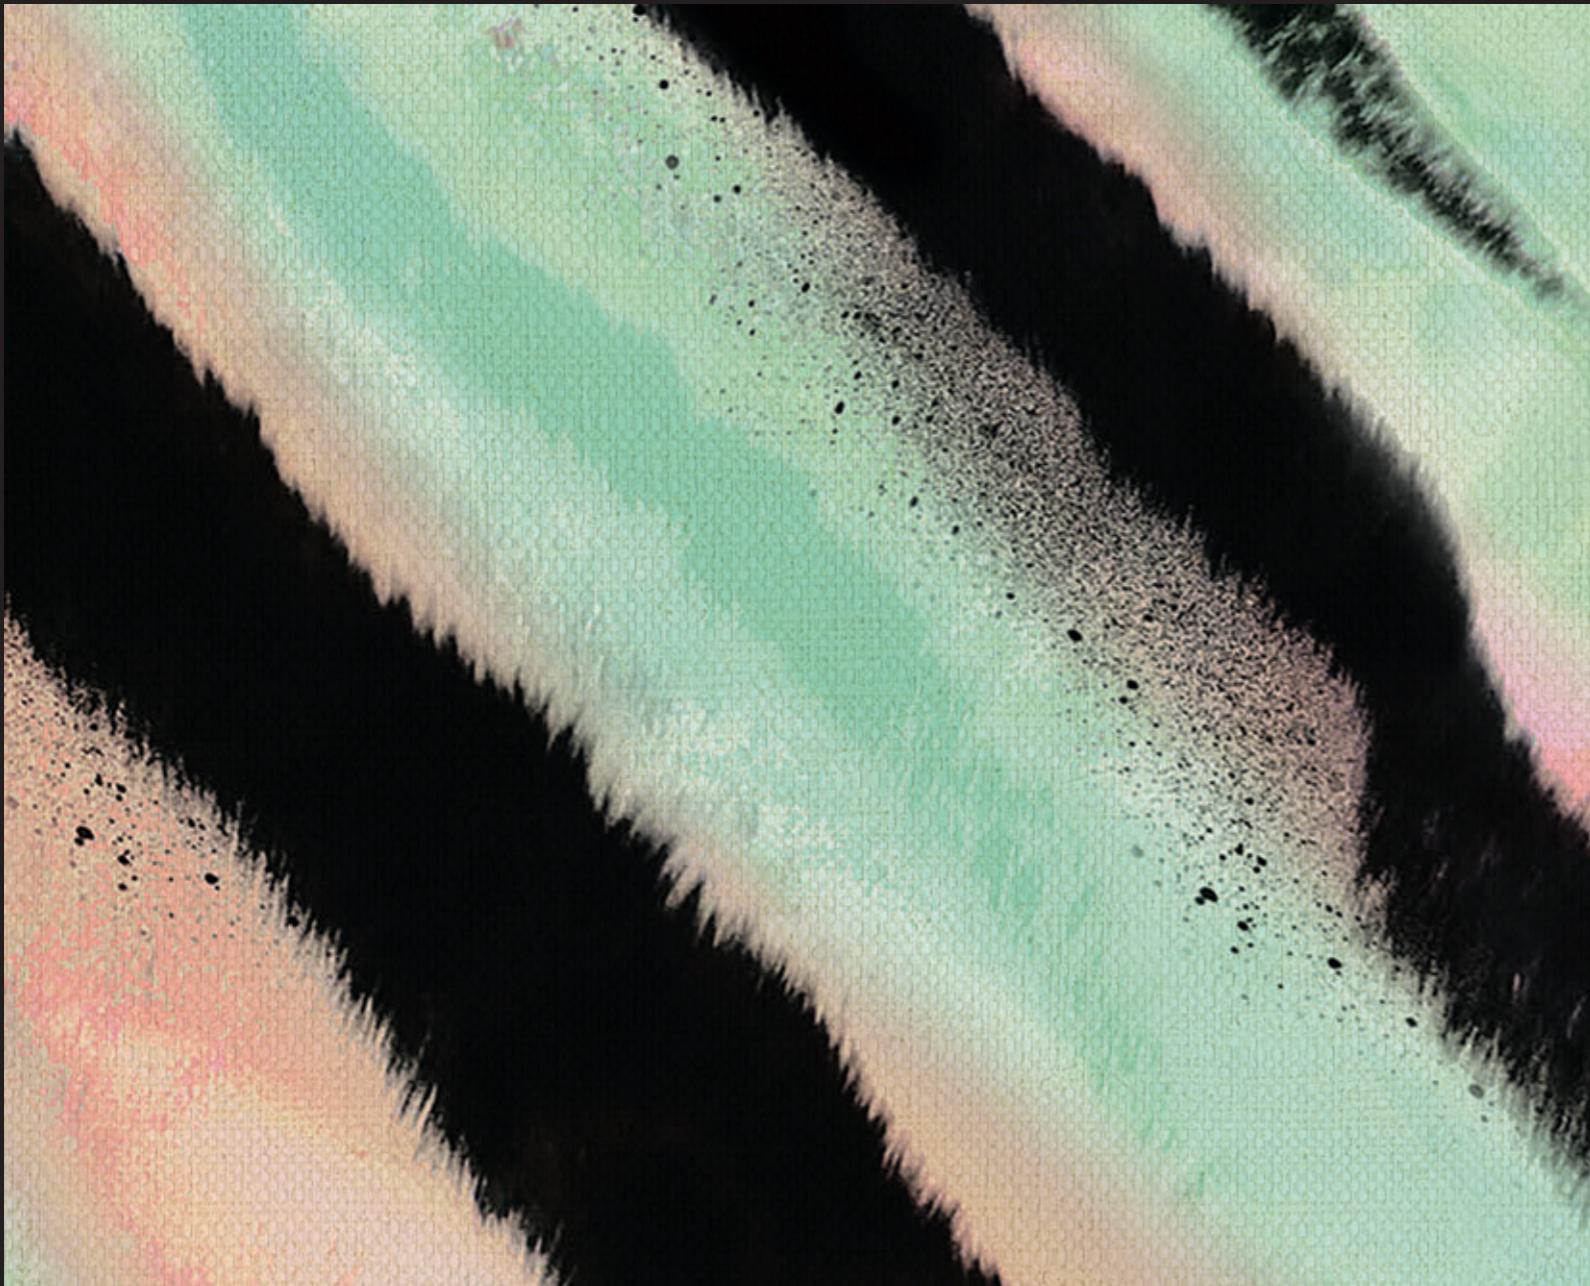

Forniamo su richiesta kit completi per la preparazione della base di applicazione e per la protezione finale del pannello.
Ogni kit contiene Superprink® bicomponente e Extra Kappa® opaca batteriostatica bicomponente adatti a ricoprire una superficie di circa 7 m².

*On demand, we can supply complete kits for the preparation of the application base and for the final protection of the panel.
Each kit contains two-component Superprink® and two-component bacteriostatic matt Extra Kappa® suitable for covering an area of approximately 7 square meters.*
